

ALUCOBOND®

Sun Shade Solutions

ALUCOBOND® offers the perfect aluminium clad sun control solution for any project.

There is a large range of locally stocked colours available, to assist in creating unique plans by architects and designers.

Sun Shades using ALUCOBOND® can add an attractive element to a façade, while reducing nett heat gain, by screening the effects of sunlight on windows.

Ask your ALUCOBOND® Technical Sales Manager for further information.

The leading aluminium composite material

ALCAN COMPOSITES

Sun Shade Solutions
