Double click on the fastcut shortcut on your desktop

A license window will appear

The first 8 digits in the serial number field (in this case 49883654) is what must be provided to Alucobond Architectural along with payment of A\$90. This number is different for every computer.

Alucobond Architectural will then provide the 32 digit number that needs to be entered into the New license No. box (white area) to complete installation.
